Community Update

Fall 2013

Fall Festival

Sunday, October 27th 4:00 - 7:00 p.m.

This year, the Fall Festival will be held at multiple sites on the Place side of the neighborhood. Families are encouraged to make their way around to the different stops and take advantage of the hay ride. The festivities will include:

- ♦ Games, Crafts, Hay Ride & Activities for all ages from 4:00 - 6:00 along Keowee Drive and Oldtown Drive
- ♦ Children's Costume Parade at 5:30 on Jocassee Trace
- ♦ Neighborhood Cookout at 6:00 on Jocassee Trace - Please bring a side and/or dessert to share!

The fall festival committee is hoping everyone will get involved, volunteer and/or donate items to this year's Fall Festival. You can do this by contacting Jennifer Gibbons (803-356-8359 or jgibbons@marriedtomylove.com) or Sharon Paeth (toofaraway@windstream.net). This is always a wonderful event and a great opportunity to meet neighbors you don't yet know or put names with faces you wave to every day!

Contact Information

To report issues (sprinklers, lights, etc.), request architectural approval, or report a violation, please visit **OldeSaluda.com**. You can find the forms you need and reach the HoA Board, MJS (association management company) and the Social Committee via the online contact form.

Homeowners Association Annual Meeting

Thursday, November 7th 7:00 p.m.

This year's annual meeting will be held at Faith United Methodist Church at 5151 Sunset Boulevard (on Hwy. 378 next to Target) on Thursday, November 7 at 7:00 p.m. The Board hopes all homeowners will make plans to attend. All residents are encouraged to submit a proxy before the meeting to Kevin Hardy, even if you plan to attend. When you arrive at the meeting, you can revoke your proxy and vote in person. It is important that we have enough residents represented (in person or by proxy) in order to conduct the meeting. Items on the agenda include:

- ♦ Community Update
- ♦ Budget Overview
- ♦ Elect two board members

Curbside Recycling Service Changes to Every Other Week

Waste Industries began collecting recycling every other Monday effective September 30th. They have asked residents to begin using the new 96 gallon rolling cart for recyclables and to stop using the 18 gallon bins for curbside collection. Waste Industries customers who did not receive a new 96 gallon cart or who did not receive a calendar showing recycling pickup dates in the mail should contact Waste Industries at 935-0249. Garbage and yard waste collection continues every Monday.
